

MAXIMUM IMPACT

Fulton Industrial Blvd Saturday, May 2, 2009 3PM to 7PM

"See the impact of God's love coming to town" @ 4115 Fulton Industrial Blvd

Dear Friends:

We are excited to invite you to join us for MAXIMUM IMPACT Fulton Industrial Blvd, Saturday, May 2, 2009 from 3PM to 7PM. This time around, we are pleased to announce there will be 5 Nights of Revival beginning on Monday, April 27, 2009.

Maximum Impact is a volunteer-led community outreach to homeless, poor, and hurting people living around Fulton Industrial Blvd and I-20 West. Highlights include live music, health packages and screenings, free food and beverages, a children's zone, women and youth services, change of clothing, haircuts, and people who genuinely care to listen and help others.

Maximum Impact brings together churches, ministries, businesses, government agencies, and individuals who contribute their time, money, and resources. IMPACT does more than focus on the area's problems. Our volunteers avail themselves to be God's hands, feet, and voice to nourish others spiritually and physically. Throughout the month, volunteers comb the area looking for needy and addicted people to transport to ministries and agencies to be housed and get rehabilitation services.

Our hearts have been broken by the homeless, drug and alcohol abusers, and the crime and prostitution that characterize the outward landscape of the area. We are very grateful that love has called us to answer the question: *"What are you going to do about it?"* We have seen victories as people are getting set free from viciously dark cycles. These precious people are moving to places where loving people help them rebuild their lives. But we need your help to **maximize the impact.**

In conjunction with this fourth outreach day, we will join God's Outreach Commission and The Outpost to hold 5 Nights of Revival leading to the Saturday Gospel festivities. Other groups are also indicating that they want to present special activities. Those will be announced to you soon. There will also be volunteer service training on Saturday, April 25 for the wonderful people lending their time to help others. Over 300 volunteers from around the city helped make the last outreach a success.

Additionally, we know there is nothing eternal we can do without prayer. So look at the Maximum Impact Calendar and join us in prayer throughout the week and at our Prayer Rides.

We are excited that Maximum Impact is evolving into a vehicle for men, women and youth to unite and put love into action. We welcome more volunteers and the contribution of food, beverages, hygiene products, job search clothing, and other items to uplift children, youth, and families. Our efforts are non-profit and tax-deductible.

Businesses and groups can also make financial contributions and receive a promotional table at the outreach and hang banners at the event to let people around Fulton Industrial Blvd know you care.

Sincerely,

Drew Sewell
VP, CKS Packaging, Inc
