Game schedules are subject to change . As parents ourselves, we understand the need to coordinate the activities of our children. This planning requires accurate schedules be provided by the organizers of the events in which we enroll our children. However, at times changes to schedules do become necessary. Should circumstances arise that require a scheduling change, MBC Upward Ministry leadership will communicate those changes as quickly as possible to the coaches of each team who will then be responsible for ensuring that their players are informed. Thank you for your understanding.
